## NICC, 885 sponsors

### Over 400 tagged fish will bring \$50,000

by GLORIA DAVIS

Although all the plans have not as yet been finalized, The Northern Illinois Conservation Club (NICC) and the 885 Civic Club will be holding an all-summer-long fishing derby.

The derby will start at 12:01 a.m., on Monday, May 28, Memorial Day, and end at midnight, on Monday, Sept. 3, Labor Day.

According to conservation president Bob Lindquist, who is co-chairing the event along with Will Gers, over 400 tagged fish of all kinds will be released equally, before May 28, into Lake Catherine, Channel Lake, Lake Marie, Bluff Lake, Grass Lake, Petite Lake, Fox Lake, Pistakee Lake, Loon Lake and Long Lake.

The tagged fish will bring over \$50,000 in prizes to the lucky people that catch them.

Raymond Chevrolet has possible plans of adding a car to the prize list.

All fishermen should be on the lookout for a walleye that the conservation people have named Mr. Coke. Bagging him will bring some lucky fisherman \$10,000. Miss Sprite (who may be a bass) will be worth \$5,000.

So far, 28 registration stations have been set up along the Chain O' Lakes where fisher-

men can register for the contest and purchase the necessary contest button for \$3.

If the button is lost, it must be rebought for prize qualification.

The prize claiming stations will be at Haismanis' Resort on Lake Marie, the Chain O'Lakes Bait and Tackle Center, at Grass Lake Rd. and Rte. 59, J&K Bait and Tackle, Rte. 173 and Lotus Dr., Jim's Bait and Tackle, Eagle Pt. and Rte. 12, Fox Lake; Fur, Feather and Fin, Rte. 12, Fox Lake; C. J. Smith Resort, at Spring Lake on Grass Lake Rd., Kempf's Resort (The ice fishing derby headquarters), and Triangle Bait and Marine, Rte. 83 and Grass Lake Rd..

According to Lindquist, some of the fish will be insured and, tagged fish that are brought into the claiming stations will be put into holding tanks until the judges can determine that all the State of Illinois fishing rules have been abided by.

Those rules, include the stipulations of no use of nets, just hook and line and fisherman must be over the age of 16 and holding a legal fishing license.

Stohs Beer will also sponsor a \$10,000 fish, just another of the prizes that will range in value from \$50 up.

## Historical society in need of more working volunteers

On April 27, The Lakes Region Historical Society elected a new slate of officers for the 1984-85 year.

To take office at the May 24 meeting are Mel Knirsch as president, Lucille Kuechenmeister as vice-president, Barbara Beese as recording-secretary, and Al Little as corresponding-secretary.

Bill Brook and Ann Kakacek were returned to the board of trustees for two years. Carol Whitton and Richard Harland will complete the second year of their two year terms.

The program was given by Shirley MacDonald Paddock of Lake Forest. Her slide presentation and lecture, "The Somerset Emigrant" was of special interest to several members of the audience whose ancestors also had come from the region around the tiny English town of Middlezoy.

Paddock had become interested in the area during her search for the origins of her family. Her great-great grandfather, George Barnstable, had immigrated to Lake Villa Township in the middle of the 19th century.

He returned to Middlezoy and died there in 1908. Other families of the Chain of Lakes Region who can trace their roots to Somerset include Doolittles, Gibbsses, Hunters, Huckers, Hawkins, Kings, Pitmans, Spaffords, Tuckers, Taylors, Wiltons, and Westlakes.

Janet Brook introduced Sally Hawkins who is to be the co-ordinator for the Lakes Region Historical Society's First Annual Antique Show to be held Sept. 8 and 9. This event will be held at the VFW Hall. Planning will begin soon and many volunteers will be needed.

The restoration committee has held another work day. The sandblasting of the woodwork was continued and the outside stairs were repaired. The next priority is to replace the old wiring and improve the electrical system.

Anyone interested in helping with the restoration of the Old School is welcome to both the committee meeting, at the Antioch

Township Hall, at 7:30 p.m., on the first Thursday of the month, or the regular meeting of the society on the fourth Thursday. Regular meetings are held at 7:30 p.m. in the State Bank of Antioch.

## Good news in The News

### Bell tower

There's a 16-foot bell tower in construction on Mayor Ray Toft's property in Channel Lake.

The tower is almost set to go on top of the Old Grade School on Main St., as part of the Lakes Region Historical Society's revamping of the building into a museum.

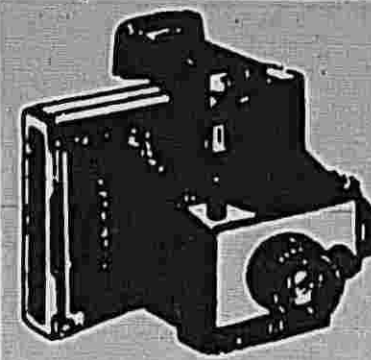

Now if a peaceful decision on exactly where the tower should be put can be reached we might be hearing the melodious sound of school bells again one day soon.

Volunteers for some of the physical labor on the museum are still needed. Those interested can contact Mel Knirsch at (312) 395-3737.

### Road rules

Antioch Parks and Recreation and the office of the Secretary of State, Jim Edgar, will again be sponsoring a Rules of the Road Class, at the Antioch Senior Center, beginning May 14, from 10 a.m. to noon.

The class will continue the following Mondays, May 7 and May 14, at 10 a.m. For registration one may call the Antioch Parks and Recreation at (312) 395-2160.

## Kamera Kwestions

QUESTION: "WHAT MOTHER'S DAY WAS MOST SPECIAL ONE YOU CAN REMEMBER?"

**DOROTHY ROMER**, "Having my family together on every holiday as we always do is enough!"

**THERESA MAURER**, "The first Mother's Day after my four-year-old daughter was born was very special because it was the first one."

**CHARLEEN CRIFASI**, "When my grown three children, who were 12 and 13 at the time, all chipped in their own money to buy me one of those real roses sealed in glass."

**WILMA GIBBS**, "I remember working on most Mother's Days since I usually have the whole family home for dinner. The nicest gift I ever received was the handmade card I got from my granddaughter that said, 'I love you.'"

## Cops fill bogus drug order

An Antioch man, who allegedly tried to buy a prescription drug at Osco Drugs last week, but was put on hold by an alert pharmacist, was later arrested in Round Lake Beach for the same thing.

At 3:10 p.m., Gaetano E. Lizuzzo, 33, Antioch, asked pharmacist, Robert Trethaway, to fill a prescription for valium and Tylenol 4. The pharmacist was suspicious of the prescription, supposedly from a local doctor, and asked Lizuzzo to come back in a half-hour.

He called the police after checking the

prescription and they staked the drugstore out, but Lizuzzo failed to return.

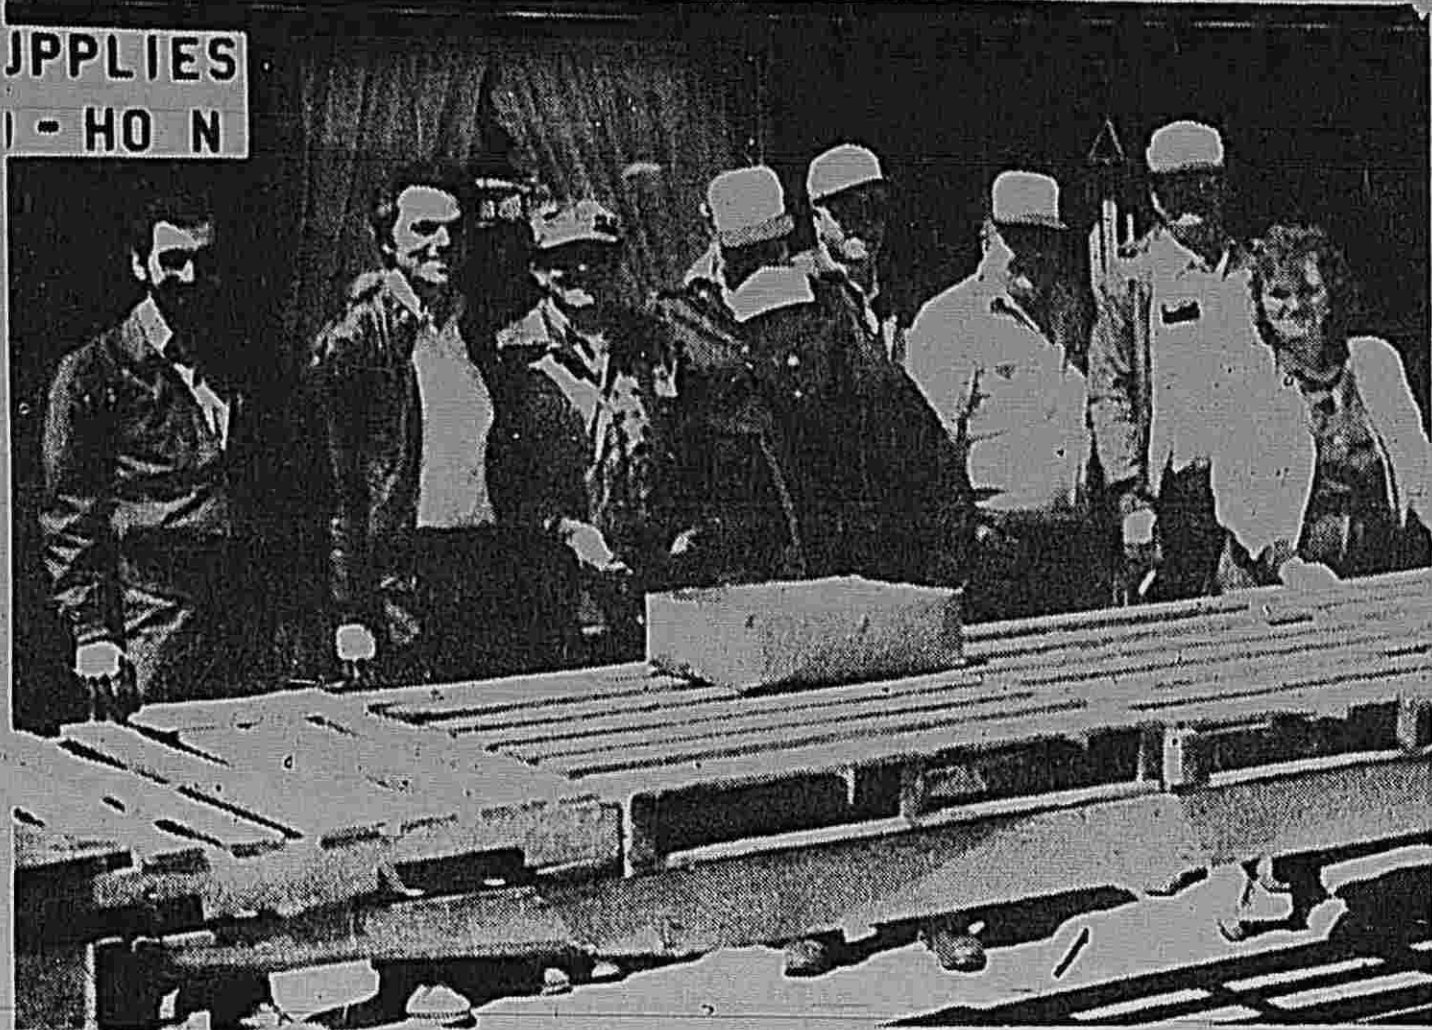

That evening, the Round Lake Beach Police arrested, Lizuzzo for reportedly trying to get a prescription filled at the Osco in Round Lake Beach. He was charged with false prescription application and released on bond.

The next day, Antioch Police Officer Larry Kukla, while off duty, observed the suspect in the Village of Antioch and he was arrested and charged with forgery.

At press time he remains in the Lake County jail on \$5,000 bond.

**GIVES AWAY TREES**—Northern Illinois Conservation Club gave away tree seedlings to Lake County residents at Floral Acres, Antioch. Almost 2,000 seedlings, including black cherry, sugar maple, white pine, white ash, bush honeysuckle, gray dogwood and white oak, were distributed. Scott Garrow, left, with Illinois Dept. of Conservation, Division of Forest Resources and Natural Heritage, also was present.

## Looking for sponsors for 'Footlights 84'

Plans are now in full swing at St. Peter Parish, Antioch, to put together "Footlights '84," to be held the first two weekends of November.

This year "Footlights" is "Going to the Movies," and as in the past, the entire school will be transformed into an entertainment extravaganza.

Last year more than 2,000 tickets were sold and over 400 people were involved in producing a very successful "Footlights '83."

This year, plans call for continued growth as well as

introducing new ideas. As can be imagined, a project of this dimension, requires a dedication to hard work, time and money.

"Footlights" has become the major annual social event at St. Peter's, where, in addition to the effort and talent of people from the Antioch area and St. Peter's Church, local business people are afforded the opportunity to underwrite production costs as sponsors.

The cost to put a room into production is approximately \$500 to \$700, and in order to maximize recognition, we try to keep the number of sponsors to three or less per room.

An investment will

guarantee a company's or business' name to be printed prominently with that room in the program book; as well as on signs that will be placed in the room sponsored.

Also verbal acknowledgement of sponsorship will be given throughout the evening in the room. With the number of people expected to attend, this advertising dollar will go a long way.

Even though November seems far away, arrangements must be made now so that our managers will have a budget they can count on.

Any sponsors interested can call Jim Haley (312) 395-0311.

## Plan parade

The American Legion Post 748 and V.F.W. Post 4551 of Antioch will sponsor a Memorial Day Parade Monday, May 28 to commemorate all those who have died defending their country.

The parade will step off from the Antioch Community High School at 10

a.m. and proceed up Main St. to Orchard and end at the Village Cannon, where there will be a short service.

Participants in the parade are asked to be at the high school no later than 9:30 a.m. for line-up.

Organizations wishing to participate should contact Bernard DeVries at (312) 395-3975.

## PERIODONTAL TREATMENT

Q. How can periodontal therapy help?

A. Ranging anywhere from simple cleaning to surgery, such treatment can: • Reduce the severity of the disease. • Slow down or eliminate the destructive process. • Prolong the usefulness of the patient's natural teeth. • Eliminate pain. • Stop bleeding of gums. • Get rid of periodontal pockets. • Stop infection and pus formation. • Reduce abnormal movement of teeth. • Permit destroyed tissue to regenerate. • Set up an oral environment in which the patient's own consistent plaque control can prevent the disease from recurring.

If you should need periodontal treatment, be wise — have it done promptly, before the problem worsens and costs in health and money become greater.

## State Bank goes with Jewel, gives prizes

Andrew B. Bernhardt, president of State Bank of Antioch, has announced that the Cash Station Network of automatic teller machines, of which the bank is a member institution, now offers Cash Station cardholders access to Jewel Food Store Money Center and has begun a Cash Station Sweepstakes campaign in which cardholders are automatically entered each time they make a deposit, withdrawal, payment or funds transfer on a Cash Station ATM.

Jewel Food Stores, Cash Station Inc., and Network EFT, Inc. have ratified an agreement providing for acceptance of "Cash Station" bank cards at 178 Jewel Money Centers effective May 1. Joining in today's announcement were: Bernard M. Cygan, president, Cash Station, Inc., and Senior Vice President, Northern Trust Company, Victor M. Tyler, President, NEFTI; and Frank O. Eckstein, vice president, Service Operation's, Jewel Food Stores.

Cash Station, Inc., is an

association of financial institutions which provide electronic fund transfer services throughout the Chicago area. Since its organization in July 1980, it has become the largest such organization in the state with 111 financial institution members. NEFTI operates the YES Network which provides the electronic link to the Jewel Money Center terminals located in Jewel Food Stores.

This new agreement will provide access in Jewel stores to over 425,000 Cash Station card holders. Card holders will be able to make deposits, withdrawals, account transfers and balance inquiries to and from checking and savings accounts in the participating financial institutions at Money Center terminals in Jewel stores in the six-county metropolitan area. Counties included are Cook, Will, Kane, DuPage, McHenry and Lake.

As a result of this agreement, a total of 211 financial institutions are linked through the YES Net-

work to Money Centers in 178 Jewel Stores. The number of institutions accessible at Jewel Centers is larger than at any other food chain in the country involved in providing electronic banking services. All participants at the signing agree that this link and activity is a benefit to consumers, providing them access to their financial accounts, at institutions of their choice, as conveniently located as the nearest Jewel Food Store.

Effective May 1, 1984, Cash Station cardholders at the State Bank of Antioch and other member banks will access a Cash Station ATM and be automatically entered in the Cash Station Sweepstakes from May through July 15, for the opportunity to win a Grand Prize of \$25,000 or 222 other great prizes. Entry details and information on obtaining a Cash Station card are available by calling the State Bank of Antioch at (312) 395-2700. Newspaper and television media plans are underway to publicize the network ATM promotion.

# News/OPINION

The Antioch News welcomes letters to the editor. Letters should be on topics of general interest, approximately 150 words or less and be signed with home address and telephone number. Guest editorials

are also invited. They should be a minimum of 250 words and signed. The editor reserves the right to condense all material addressed to this page.

## When I think about it Ways of proms and roses

In the ancient times, when I went to prom, formals ranged from \$30 to \$50. Tuxes were rented for \$25, and that waxen orchid or pungent gardenia went for \$5. Prom tickets averaged \$10 to \$25 per couple and a fellow figured about \$25 for eating, before or afterwards.

So we were talking a maximum cost of \$150 for a myriad of memories.

No, I did not wear a one-shouldered leopard skin and ride to the prom on the back of a dinosaur. Powdered wigs and carriages were in then.

Today, the average prom dress falls in the \$70 to \$100 price category. Tuxes and accessories can cost \$70, prom tickets are still \$25, which includes dinner, and flowers usually cost \$10 for the girl and \$3 for the boutonniere. Party time afterwards fluctuates according to plans.

This calls for a bankroll of \$238 plus afterglow costs. Though the cost hike is probably proportionate to the times, it's still big bucks!

There are ways to cut that cost by using a few smarts, such as catching the sales that are now on at all the bridal shops. It's the time that spring-summer attendants' dresses are going for less and if one happens to be sample size, a seven or a nine, you're in like Flynn.

Most tux rental places give a free tux to the groom, if the rest of the groomsmen rent their tuxes there. Five guys could get together, rent their tuxes at the same place and amortize the cost of the free tux, making the individual cost less.

A home party afterwards, chaperoned by parents if the kids can stand it, really could be fun and much cheaper. No, I'm not nuts, kids. Try it, you might like it.

In any case, here's hoping you parents will enjoy the whole vicarious evening as much as I used to.

And kids, play it cool and straight, I guarantee a great time, but most importantly, one you'll be around to remember.

## Along the way with ANNIE MAE

Jean Rybicki tells me that the next regular meeting of the Sequoit Ladies Auxiliary of VFW Post 4551, will be held on Wednesday, May 9, at 7:30 p.m., at the post home on North Ave.

I hear that besides delicious refreshments, many interesting subjects will be served.

I saw a saying I loved on the window of a retail store that was displaying gifts for a certain special day that is coming up.

It said, "The nicest gift I ever got was from another man's wife, my mother."

Happy birthday to Pat Lorenz and Sue Haley and happy anniversary to Bernie and Shirley Gutowski.

More congrats to Rodney Steiskal, son of Bob Steiskal, who is a recipient of an honor scholarship to Carthage College, Kenosha.

Now that pennies can't be used in our parking meters anymore, the list of things one can purchase with one penny has dwindled to almost nothing.

Old Annie Mae's getting all her fishing gear together. Those tagged fish that the Northern Illinois Conservation is releasing in the Chain for its summer fishing derby are just too tempting.

Imagine catching a fish worth \$10,000 and getting a free seafood dinner to boot!

## Engagement

### Kunkel—Pape

Mr. and Mrs. Elmer Kunkel of Hazel Green, Wis., announce the engagement of their daughter, Linda Kundel of Hazel Green, Wis. to Paul Pape of Antioch, son of Mr. and Mrs. Earl Pape of Antioch.

The ceremony will be performed at the Immaculate Conception Church on May 19, 1984 in Kieler, Wis.

The bride-to-be is a 1980 graduate of Southwestern High School and is employed by Advance Transformer Co. of Platteville, Wis.

The groom-to-be is a 1978 graduate of Antioch High School and a 1981 graduate of the College of Lake County. He received a bachelor of arts degree in 1983 from the University of Wisconsin at Platteville. He is employed as a sales representative for EVCOR Corp. in Downers Grove.

The couple plans to settle in Chicago.

### Folbrink chairman

Terry Folbrink, area dinner chairman for Ducks Unlimited, reported that the Area Chapter raised \$21,000 for waterfowl wild life habitats at its annual dinner.

The News incorrectly reported that Chuck Miller was the chairman of that

event. Miller was the head of the committee that handled the menu and the door prizes.

The proceeds are earmarked for Canadian endeavors since the largest amount of waterfowl are presently bred in the waters of Canada.

## 'Syracuse' brings fun '40s style to Marriott

by GLORIA DAVIS

Well, it's "Juke Box Saturday Night," every night at the Marriott Lincolnshire Theater, now that David Bell's spirited '40s version of "The Boys From Syracuse," has arrived.

This very-difficult-to-do, 1938 Rodgers and Hart musical, is handled beautifully by Marriott's actors and technicians.

Timing is the whole ball of wax in this one, and the premier performance had that down pat. Without it, the core of the plot, the constant hilarious, almost-encounters of four twins who haven't seen each other since birth, would have fallen flat.

Marriott veterans Kurt Johns and Bob Rahn, handle what passes for the twin romantic leads, Antipholus of Syracuse and Antipholus of Ephesus with style. Director Bell even comes up with an uncanny resemblance between the two that I never noticed during many of their previous Marriott stints.

Both do a good job in the singing department, but Johns' richer voice gives him the edge there, while Rahn is the Baryshnikov of the two.

Gene and Joel Sager, also look alike, but this time it's understandable because they are real twins. They turn out to be two of the most lovable jesters since Friar Tuck. They both are in good voice and the same goes for the sense of comedy they exude in their portrayals of the two Dromios that serve the twin Antipholuses.

Mary Ernster is classy, has a gorgeous

pair of legs and a great voice to boot, as the wife of one of the A's.

Kathryn Jaek, an ethereal vision with a lilting voice, is the other feminine love interest.

Judith Smith is a tempting courtesan and Nancy Voights comes across loud and clear as the brash Luce.

For some of the audience, the glow of all this talent is bound to be slightly dimmed each time the lead dancer, Bruce Falco, leaps across the stage as one of the Keystone Officers of Ephesus. His facial expressions are hysterical, as he slips away with a piece of the show at each appearance.

I loved the luminous "zoot suits with the draped shape," the truckin' beat of the music, and couldn't applaud long and loud enough for David Seigel and the "Glenn Miller" sounds that kept swinging from the orchestra booth.

The dancing and dancers were superb, whether down dirty or flyin' high.

As often happens, the talent of the Marriott thespians and back stage artists far outshines this vehicle, but it was good to hear some of the still-good old standards like "This Can't Be Love" and "Falling In Love With Love."

'Syracuse' might not rank among Marriott's greatest achievements, but it's fast moving, exciting, and, most of all, a lot of fun.

The opening night audience seemed to appreciate even some of the cornier lines, as evidenced when a billy-club-tapping officer tells a suspect to "make my day," and brings the house down.

CONFUSED LOOK-A-LIKES — From left, twins, Bob Rahn, Gene Sager, Kurt Johns and Joel Sager, begin to wonder who they are themselves in fun-filled Marriott musical, "The Boys From Syracuse."

## ACHS bands to entertain with annual May concert

Members of the Antioch High School beginning band, concert band, jazz ensemble and symphonic band will be featured in spring concert, on Thursday, May 10, in the high school auditorium.

The concert will begin at 7:30 p.m., with the concert band performing the march "Crystal Star," "Londonerry Aire," "Michelle-Eleanor Rigby-Yesterday," and "Overture in B flat" by Cesar Giovannini.

The next group to perform will be the jazz ensemble. They will play two selections from this year's variety show entitled "Strike Up the Band" and "Spice Of Life."

The beginning band, some of whose members have been playing for only seven months, will perform five traditional numbers.

To close the concert, the symphonic band will perform "Totem Pole," "He's Gone Away," "Masque By Hernes Oak," "Selections from Gerswin" and "A Festive Overture," by

Dmitri Shostakovich.

Tickets for this concert can be purchased at the door

or can be obtained from band students. Adults are \$2 and students \$1.

## Next PM&amp;L production is 'Gingerbread Lady'

"Gingerbread Lady," a brilliantly funny achievement by playwright Neil Simon, will be presented by PM&L Theatre as their fifth Selection this season. You may know of this play by its movie title, "Only When I Laugh."

The play is being directed by the experienced director, Barbara Miller of Andre's Dinner Theatre. She has selected some of PM&L's best for the cast of funny, if sometimes tragic, characters.

AnneMarie Cina portrays Evelyn (Evy) Meara, the once-famous singer who has a hard time dealing with life in a sober world. Cina has won many awards, including "Best Actress," and was recently seen in Andre's production, "Hot Turkey At Midnight." She was also seen at PM&L in both "Mornings At Seven" and "Mr. Pennypacker," last season.

PM&L President Tom Hausman, portrays Jimmy Perry, who is dying to be a "star, a great big star" and dotes over Evy like a mother hen. Hausman's considerable expertise as director and actor bring additional depth to the sensitive and mooning character.

Polly Meara, Evy's daughter, is played by Debbie Beno, an actress with many years of stage experience, along with an early award performance in "The Miracle Worker." Her "Gingerbread Lady" will open on May 25, at 8:30 p.m., followed by PM&L's usual opening night party with additional performances on May 26, June 1, 2, 8, 9 at 8:30 p.m., and a Sunday Matinee on June 3, at 2:30 p.m.

Reservations can be made at (312) 395-3055. Dinner-theatre packages can be obtained at both Struggles Restaurant (312) 395-9400 and The Village Pub (312) 395-3373.

# Chain O'Lakes seniors call for meals helpers

The first spring meeting of the volunteers of the Chain of Lakes Senior Services was held at Weasel's Restaurant on Tuesday, April 24 in the lovely new garden room.

Topics of discussion included the announcement of the Lindenhurst-Lake Villa Meals with Wheels program co-ordinators, Jan Kapischke and Dorothy Kelly.

The push for volunteers in order to expand the Meals with Wheels program in the Antioch area as the number

of people in need of this service increases is in progress. Volunteers are also needed to maintain the office.

Senior Services recognizes Lucille Eberman, Marguerite Koenig, Ruth Duha, Helen Arter, Jane Pederson, Mary Amundson and Kathryn Jackson for the beautiful Easter baskets and colored eggs they worked on so diligently for Telecare, Meals with Wheels clients and shut-ins. These volunteers serve in other capacities throughout the year also.

Raiko Mendoza, who helped deliver baskets, is Birnid Johnson's granddaughter and was a delight for clients to see when they opened their doors to her smiling face.

Joe Titus and Nadine Malik returned from time spent in hospitals. Good to have you both back.

Janet Nordquist, who is moving, was honored with a gift, a lovely piece of crystal.

Others attending and enjoying the beautiful day were Chain of Lakes Asst. Director, Ruth Davidson,

Marie Banasack, Dee Brown, Peg Johnson, Elizabeth Carlson, Ann Koziol, John Horton, Rev. Horton, Mary Durr, Mildred LaPlant, Mary Polley, Beverly Sorensen, Marcella Marcucci, Pat Schreiber and Birnida Johnson, Office Manager, who conducted the meeting. Tentative plans were made for the Volunteer Recognition Day in July.

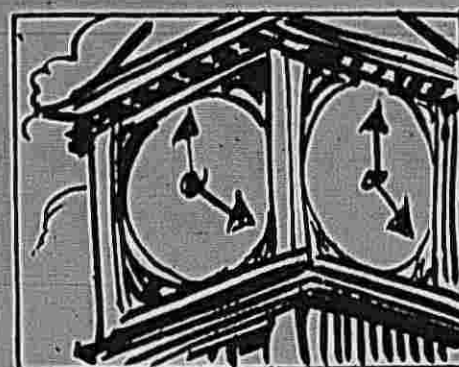

The usual need for birthday and greeting cards was another topic. Donations from the public at large have been rewarding in the past.

These donations are still welcome for the shut-ins who the volunteers remember.

Anyone interested in helping, call (312) 395-5161, Chain of Lakes Senior Service, a division of Inter-faith Community Services, with offices located in the basement of the United Methodist Church of Antioch, 848 N. Main St.

# Sequoits win, in second place

At press time, the Antioch varsity diamondmen are in second place, with a 10-3 North Suburban Conference record. They are 12-6 overall.

It was a great week for the Sequoits, with three games put into the win column.

On Tuesday, May 1, An-

tioch went to Zion and came home with a 14-10 win. Big bats for the Sequoits were Craig Prather with a triple, John Humphreys with two singles that meant two RBIs, and Frank Mahar, whose double and single meant two more RBIs.

The Sequoits took an early

7-0 lead over the ZeeBees in the first inning and kept in front all the way.

Antioch traveled to Fenton for a double header on Saturday, May 5, and chalked up two more big wins.

In the first game, it was Antioch, 8, and Fenton 5. Frank Mahar hit a triple in

the first to bring one run in, and Humphreys was the big man at the plate again with a three run homer in the second inning.

Humphreys pitched the win, going all the way, tossing seven strike outs and allowing one base on balls.

It was Antioch, 11, and Fenton, 5, at the end of the second game, with Frank Mahar staying on the mound all the way this time, striking eight batters out.

Humphreys was responsible for a single and two RBIs, giving him four for seven, and five RBIs for the day.

Frank Mahar hit a single and a double bringing home two more.

The Sequoits are scheduled for a non-conference game on Monday, May 7, at home against Salem Central.

On Tuesday, May 8, it will be North Chicago and then, on Saturday, May 12, Antioch will play a big double header against Libertyville at Antioch.

Tuesday, May 15, they will face Lake Forest and on Thursday, May 17, the Sequoits will end their regular season as they go up against Mundelein.

"The next five games are very important since we need to protect the loss column," said Sequoit Coach Tom Baba.

# Cardholders use YES terminals

Beginning May 1, Cash Station cardholders will gain access to YES's 640 electronic banking terminals in 181 Jewel stores throughout the Chicago area at no additional monthly charge.

The Cash Station Network currently includes 109 financial institutions

# Girls win six games

On April 28, the Sequoits spotted the Vikings a five run first inning lead and were hitless for the first three innings. From the fourth inning on, it was all Antioch!

Beth Davis pitched shut-out softball the last six innings of the game, with Maria Maravelas leading the Sequoit rally with three hits and two R.B.I.'s.
